# Puzzle #1: An Attitude of Thanksgiving

John F. Kennedy (1917-1963) was the 35th President of the United States. He was awarded the Navy and Marine Corps Medal for his heroic acts during World War II, and the Purple Heart Medal for injuries he received. His best-selling book, Profiles in Courage, won the Pulitzer Prize for Biography.

Below is a quotation from President Kennedy truly appropriate for the Thanksgiving holiday - but it's been torn apart and scrambled beyond recognition. Can you put it back together?

## Answer for Puzzle #1: An Attitude of Thanksgiving

"As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them." - John F. Kennedy

Did you know? President Kennedy loved animals. Joining him at the White House were five horses, two hamsters, two parakeets, a rabbit, a cat and five dogs. One of those dogs was a present from Soviet Premier Nikita Khrushchev, and was the offspring of one of the first dogs in space.
